The Power of Punctuality

"Be punctual, not just for school, but for the lifelong journey of learning and success."

In today's fast-paced world, where time is a precious commodity, punctuality has emerged as a critical factor for personal and academic success. Punctuality is more than just being on time; it reflects a student's commitment, respect for others, and organisational skills. Punctuality is a fundamental aspect of a student's academic journey. It sets the foundation for discipline, responsibility, and success, both during schooling and beyond. Punctuality helps students develop strong time management skills, which

are valuable throughout their lives. These skills can translate into better performance in various aspects of life. By valuing punctuality, we can unlock the power of timely action and embrace a more productive, fulfilling, and rewarding life.

Hogwarts

Hogwarts is one of the world's finest wizarding schools, located in a massive castle in Scotland. It is the primary setting for the first six books in J.K. Rowling's canon "Harry Potter" and serves as a major setting in the subsequent films. The school is depicted as having numerous charms and spells around it that make it impossible for a Muggle to detect it.

The castle's setting is described as being majestic, grand, and imposing. It is built on a high cliffside, overlooking the sea. The architecture is a mix of Gothic and Norman styles, with many towers and spires. The castle is surrounded by a high wall and a moat, and is accessible only by a bridge that disappears when the tide is out.

The castle's history is filled with many legends and stories. It is said to be the oldest and largest school of magic in the world. The castle has been the site of many battles and events, and has a rich and varied history. The castle is a place of great learning and magic, and is a truly remarkable place.

Creative work by the students of Class IV & V

As part of the initiative "Ek Bharat Shresth Bharat," our students explored the cultural heritage of the state of Assam. The Seniors creatively expressed their findings through a captivating collage. This captivating artwork was showcased in the Open House competition held on July 21, 2023. The event provided a platform for students to learn about the diverse culture of Assam and fostered a spirit of unity and appreciation for the rich cultural tapestry of our country.

The Juniors (students of VI, VII & VIII) participated in a co-curricular competition on the theme of 'Places of interest in Assam.' As part of this event, they enthusiastically prepared 'Tourist Brochures' showcasing various attractions and destinations in Assam. The competition took place on July 22, 2023, and provided an excellent platform for the students to delve into the fascinating tourist spots of Assam and present their findings creatively.

The Sub-Juniors (students of IV & V) have prepared a wall chart showcasing information about popular festivals in Assam state. This activity provides them with a valuable opportunity to explore and learn more about Assam's rich culture and traditions.

On July 7, 2023, a co-curricular competition called 'Leaf Art' was held for Class I students.
