Namaste to everyone!

Be Positive A positive attitude is a mental and emotional state characterised by optimism, enthusiasm and a constructive outlook on life. It involves approaching situations, challenges, and setbacks with a hopeful and proactive mindset. A positive attitude can greatly impact various aspects of life, including personal relationships, work performance, and overall well-being. To develop positive attitude, practice gratitude, surround yourself with positive influences, engage in activities that promote self care and set

realistic goals. By adopting and nurturing this mindset, you can enhance your well-being and make positive impact on the surroundings.

With Best Wishes,

S. Indira, Academic Advisor
